

## **MEDIA RELEASE**

### **SHORTAGE OF WATER IN MAKHADO TOWN**

**22 FEBRUARY 2018**

The reservoir in Makhado town is empty due to the non-availability of Electricity in Albasin Dam Pumping Plant and pump stations.

The on-going strike of Makhado Municipality electricity Staff is affecting water supply in Makhado Town.

Normal water supply will resume once the matter is resolved by the local Municipality. We apologize for the inconvenience.
