### **WATER SHORTAGE IN MALAMULELE**

**03 November 2015**

There's a water shortage in Malamulele area and the affected areas includes Malamelele East, North East, Central including the Township and the entire business area.

Malamulele water works is experiencing a challenge of electrical low voltage while Mavambe booster pump which supplies water to Malamulele Township is damaged.

Both electricians and contractors are busy repairing the damage at the booster pump and the electrical faults at Malamulele water works.

We request residents to be patient while the repairs are being done and we also apologize for the inconvenience caused.
